

2020 Decision Day

Oceana College Access Network celebrates seniors pursuing education beyond high school including certificate programs, skilled trades training, apprenticeships, and degree programs. Over 64 percent of jobs in West Michigan will require post-secondary education by 2025 and we encourage younger students and families to prepare early and explore the variety of paths available. May is when seniors must inform colleges of their plans to enroll and we are excited to share their decisions here!
